FEI Canada Appoints New Chief Executive and National President

Long-time member and former senior financial officer of Royal Bank and BCE to lead association

Toronto, ON, September 27, 2007 – The Board of Directors of the Financial Executives International Canada (FEI Canada), the professional membership association for senior financial executives, today announced the appointment of Michael Conway, CA, ICD.D to the position of Chief Executive and National President, effective immediately.

“The Board and I are pleased to welcome Michael into the senior executive team,” said Louis O’Brien, P.Eng, MBA, ICD.D, Chairman of the Board of FEI Canada. “Michael’s expertise, extensive experience and understanding of member needs will serve FEI Canada’s membership well in the years to come. We look forward to working with him to lead the organization in advancing our strategic vision and enhancing our overall value to members.”

Michael brings a wealth of financial and business knowledge and experience, from Canadian and European markets, to FEI Canada having held progressively senior financial executive positions throughout his career. Most notably, Michael held the positions of Senior Vice-President & Chief Financial Officer at Psion Teklogix, Vice-President & Controller at BCE and Vice President & Chief Accountant at Royal Bank of Canada.

In accepting the appointment Michael said, “This is a tremendous opportunity to have a positive impact on the future of financial executives in this country. FEI Canada is poised to take the next steps in its growth and evolution. Our members are Canada’s senior most financial executives and they continue to play increasingly important, visible and complex roles in the Canadian economy.”

A long-time FEI Canada member, Michael is past President of the Toronto Chapter, past Director of the Quebec Chapter and was Chair of FEI Canada’s 2006 North American Conference.

Michael holds a Management degree from McGill University, is a graduate of the Directors Education Program at the Rotman School of Management and obtained his ICD.D certification from the Institute of Corporate Directors in 2006.
