

The Power of Perspective: Embracing Disruption

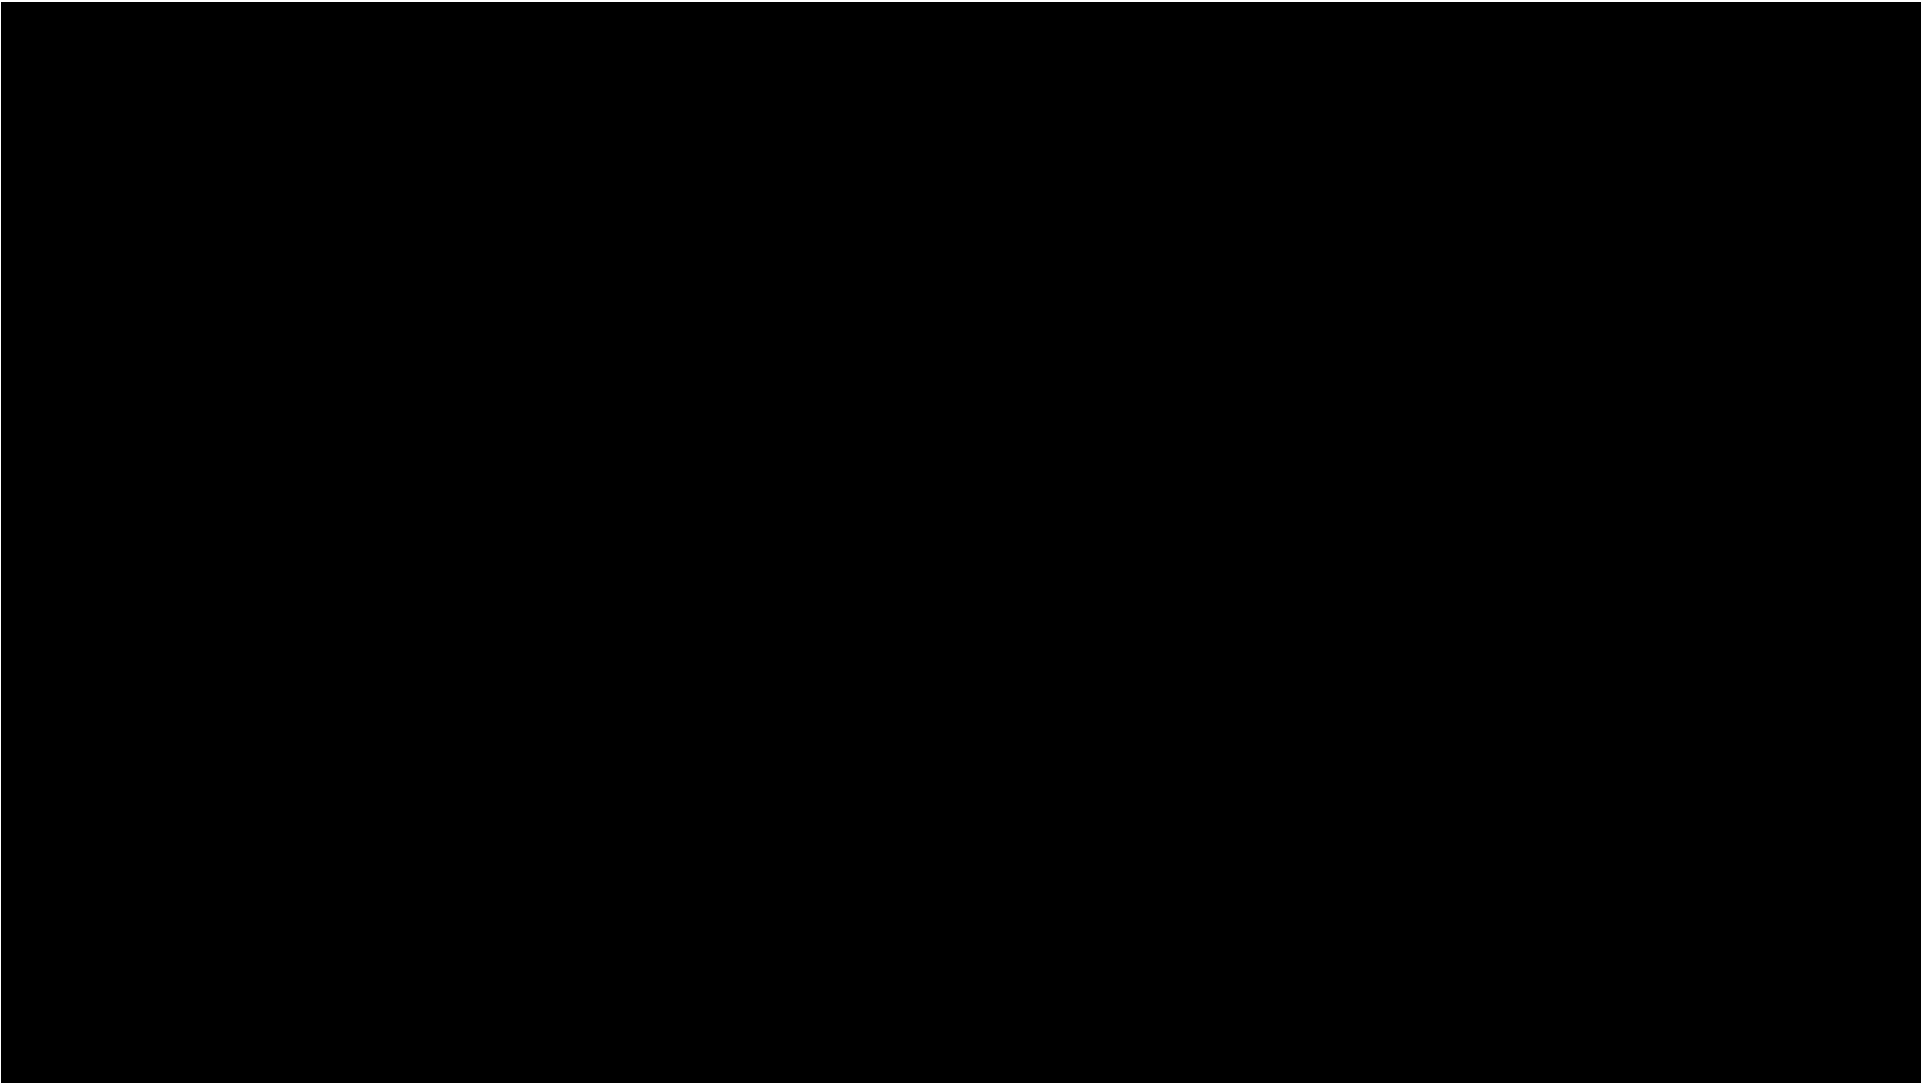

Rosie MacLennan

A photograph of a large crowd of people walking through a dark tunnel. The tunnel's opening at the far end is brightly lit, revealing a colorful, stylized cityscape with various buildings and flags. The people in the crowd are mostly seen from behind, walking away from the camera towards the light. A large flag is visible on the right side of the tunnel. The overall mood is one of hope and pursuit.

Chase the dream.

Love the journey.
