### **About Financial Executives International Canada (FEI Canada)**

Financial Executives International Canada (FEI Canada) or Dirigeants financiers internationaux du Canada (DFI Canada) is a professional cross-sectoral association of **senior financial executives** with nearly 1,500 members and 12 regional chapters across Canada.

The **Quebec Chapter** is the only association in the province that caters exclusively to finance executives from a variety of industries. The association offers its almost 200 members a unique opportunity to exchange and network with colleagues who share and understand their reality and issues. It also allows them to develop professionally through expert conferences and workshops and to pass on their expertise to the next generation through a new mentorship program. The profession is also acknowledged each year at the annual Aces of Finance Awards ceremony.

The numerous events held by the Quebec Chapter of FEI Canada are made possible thanks to the collaboration of our supportive and valued partners, for which we are profoundly grateful: BFL Canada, CDPQ, Ordre des comptables professionnels agréés (CPA) du Québec, Mandrake Vézina Lebeau, PwC, National Bank Financial Markets, Deloitte, EY, KPMG, Randstad, Sun Life, WTW, Robert Half, Amex, Bank of America, Black Line, Corpay, Finmetrix, Marsh, Mazars, Encore Travel and La Presse.
