## Quebec Chapter of FEI Canada introduces 2019-2020 Board of Directors

**MONTREAL, September 9, 2019** — Today at its Annual General Meeting, the [Quebec Chapter of FEI Canada](#), an all-industry professional association for senior financial executives, presented its 2019-2020 Board of Directors. FEI members elected this year's directors by an electronic ballot conducted between August 2 and September 3.

The vote resulted in the election of Catherine Allard as Chair of the Board for a second year. She will be supported in her role by Murielle Lortie, who was elected Vice-Chair of the Board.

Some of the new faces on the association's Board of the Directors include Amélie Beauchamp, Vice-Chair of the Financial Executive Forum Organizing Committee (for which she has volunteered since 2016), and Nathalie Bernier, Association Ambassador. Ms. Bernier was the winner of the Quebec Chapter of FEI Canada's 2018 Aces of Finance competition, in the category of "Financial executive of a large corporation," and also the recipient of FEI Canada's 2018 CFO of the Year Award.

*"The election of Board members is an exercise that goes beyond the duty of building solid governance for our association. Our culture also involves an unconditional commitment to the evolution of the profession for the benefit of association members and the entire community of Quebec financial executives," said Catherine Allard, Chair of the Quebec Chapter of FEI Canada. "Thus, Board members become ambassadors for our profession in the field, recruiting, informing and participating in local and national committees—an involvement that energizes our association and the profession as a whole."*
